The North Carolina Federation of Republican Women established the Dottie Martin Teachers Scholarship Fund in 1991 in honor of First Lady Dottie Martin's work and dedication to the families and youth of North Carolina.

This annual scholarship of \$500.00 is designed for a man or a woman presently enrolled and studying the field of education. Its purpose is to attract teachers who are motivated to cultivate in our young people a true love of learning. Our objective is to assist aspiring teachers who are particularly interested in child guidance and counseling and who want to make a difference in the lives of North Carolina's children. Those presently enrolled in education programs can be considered for the scholarship after approval of that program by the Board of Directors of The Dottie Martin Teachers Scholarship Fund. Recent high school graduates are not eligible to apply for the scholarship. The applicant must be well-advanced in programs of Education with an established career plan for teaching.
