**We must do better.**

***If we don't comment, only the Left's voices will be heard.***

Biden's Department of Education is proposing new rules that will drastically and radically change Title IX of the Education Amendments, will put women's safety and privacy at risk, and deprive them of athletic and professional opportunities.

We've seen the Left's ruthless, punitive actions against its opposition. If these proposed rules are adopted, girls and young women will pay a heavy price and their advances in both education and sports will suffer.

It is critical that you comment and ask your friends to as well. Your efforts have stopped the Department of Education twice from imposing Leftist policies on our schools, and we can do it again! Thank you for your help.

### **Talking points on Title IX:**

- Deprives young girls and women of privacy and safety.

- Makes females in single-sex spaces like bathrooms, locker rooms, and dorm rooms vulnerable to men self-identifying as women.
- Opens activities like women's sports to men who identify as women.
- Jeopardizes federal aid in every school - from kindergarten to college.
- Contradicts state laws in 13 states that protect students and prevent male athletes from competing in women's sports.
- Negatively impacts educational and career opportunities for women.
- Harms childhood development by redefining sex and gender.
- Title IX was meant to promote women's athletics.
- Women will lose out on scholarships because of unfair competition.
- Questioning biology affects our sons as well as our daughters.
- Don't redefine our daughters' and sons' identities.

## Our clubs are making a difference

### High Country RW

Doris Hawkins, (on left) VP Mountain Region, and Paula Eachus (on right) President, High Country RW. Kay Wildt gave the NFRW's history.

Teresa and husband, NC Sen. Chuck Edwards, US Congressional candidate for District 11, enjoyed the mountain vista at the Lincoln-Reagan dinner.

President Abe Lincoln regaled the audience with tales of his presidency and a trivia contest.

### Forsyth County RW

Martha Jenkins, NCFRW's Legislative Chair, gave a powerful presentation on the "Keep Nine" Amendment, accenting what was at stake if the US Supreme Court was ever jeopardized by court packing. She mentioned that ALL four of our members of Congress co-sponsored HJR11 and openly support it. She concluded with a "call to action" to our members. Pictured: L to R: Anita Moody, Pres. FCRW, Martha Jenkins, Toni Settle, member FCRW and NCFRW Legislative Committee

### Ashe County RW

One of our newest clubs, the Ashe County RW, is already hard at work in the community. Club president Toni Wall and club members organized a successful fundraiser and delivered donations to benefit the Salvation Army in West Jefferson.

### Lower Cape Fear RW

At its 9th Biennial Gala Auction, LCFRW had a record-breaking night and raised \$31,950, thanks to the combined efforts of Carolyn Justice, Auction Chair, Sandy Best, club president, and Pam Higgins, club treasurer, plus all their generous members and sponsors. Funds were distributed to federal, judicial, and state candidates, as well as to New Hanover and Pender County candidates and combined GOTV efforts. This brings LCFRW's grand total of contributions to \$148,000! Outstanding efforts from a dedicated team. (Photo by James Piedad.)

### Onslow County RW

In Eastern North Carolina, the Onslow County Republican Women's Club threw their full support behind local law enforcement at the annual Onslow

County National Night Out on August 2.

Kathy Askins, Onslow RW's President, and club members sported their club's shirts and hosted a booth offering onsite voter registration, complimentary American Flags for the kids and brochures on the history of the NFRW! Just one of the many ways these ladies are raising conservative awareness in Eastern North Carolina.

## Welcome to our newest Clubs

### Ashe County RW

Located in the beautiful Blue Ridge Mountains, Ashe County Republican Women held a lunch meeting at The Tavern in West Jefferson.

Ashe Co Club President Dr. Toni Wall and the board were

installed by Doris Hawkins, Mountain Region VP, who spoke about Federation activities.

The club received its Charter from NCFRW President Kay Wildt. Kay reviewed the history of the NFRW and NCFRW and discussed government regulations and citizen's rights.

### Federated RW of Stokes County

This photograph of the FRW of Stokes County, one of our newest clubs, was omitted from our August newsletter. We apologize to the club members and to Darlene Dill, Club President, for the error. We are delighted to welcome them to the federation.

## On the road again ... Kay Wildt
